Nomination letter

Dear Mr. Paquet

The Ministry of Science, Technology and Telecommunications is strengthening the scheme of organization to increase the participation of Costa Rica within the Horizon 2020 and Horizon Europe Programmes and to take best advantage of collaborative opportunities that it generates

In this regard, I want to inform you that the Ministry in coordination with Universities and other members of Innovation System in Costa Rica have identified good experts in different thematic that will be supporting the coordination actions.

Besides NCP's had previously been nominated, we are updating experts to integrate task force in Costa Rica NCP's, and we continue with this process with the rest of the universities and institutions of the innovation system. The following process established; I attached the matrix with the updating of the NCPs.

I thank you in advance for the consideration of these nominations, their formal designation and respective follow up.

Sincerely,

Dr.-Ing Paola Vega Castillo
Minister

Cc: Ms. Eliana Ulate Brenes, NCP Coordinator. Ministry of Science, Technology and Telecommunications.
