Subject: Letter of Commitments between MICITT and KISTI – Related to construct the SINCYT Prototype System of Costa Rica.

Dear Mrs.Hee-yoon,

I would like to convey my most profound gratitude for the support with the SINCYT System and above all, for the achievements that we have got until today.

The Ministry of Science, Technology and Telecommunications (MICITT) is interested in continuing working together in SINCYT Services. All of this in regards of the Letter of Commitment (LOC) signed on March 12th, 2018 by MICITT and KISTI that will be overcome on March 2019, as stated on the fourth clause 4.1 that establishes it shall be valid for one year from the date of its adoption.

MICITT would like to continue with this project for an additional period of 12 months, maintaining the same commitment conditions referred in the LOC. We express our interest in this project waiting for an affirmative response to continue our fruitful collaboration, since the system is generating excellent results in the country and we are enthusiastic about new future successes.

Kindly accept the assurances of my highest consideration.
