H. E Sagr Ghobash
SPEAKER OF THE UAE PARLIAMENT

Honorable Mr. President of Parliament

It is a true honor to address you with the purpose of formally extending to the people. Parliament and Government of your country, our gratitude as a Costa Rican Congress Member for the great gesture of decorating emblematic buildings of your country on the occasion to the celebration of the bicentennial independence of the Republic of Costa Rica.

It fills us with great satisfaction that your country, as a sign of fraternity and respect, celebrates and reflects on the most important icons of EAU our most important emblem, our National Pavilion.

On September 15, we celebrated 200 years of democratic and independent life, something of great importance for our country. I consider that this gesture is a sign of the great friendship between our peoples. It was a great pleasure to observe the dedication and attention, in order to celebrate with us such an important commemoration.

Kind regards,

David Gourzong Cerdas
